

HSEQ and Security Policy

Health, Safety, Environment, Quality and Security Policy

KT Maritime Services Australia is committed to achieving operational excellence and delivering flawless customer service using an integrated risk-based approach to the management of Health, Safety, Environment, Quality and Security.

To fulfill our commitment, we will:

- Strive for zero harm to people and property by holding Health and Safety as our first priority
- Strive for zero oil spills and minimize the impact of our operations on the environment
- Safeguard personnel and property through risk based security measures
- Meet or exceed all regulatory requirements
- Manage our vessels to ensure reliable performance, structural integrity and the application of vessel standards which support the KT Maritime Services Australia brand
- Enhance the competence of our people through training and career development
- Use performance measures to continuously improve our operations
